

## Geography

The children will learn about the layers of the earth, tectonic plates and how volcanoes, earthquakes and tsunamis are formed.

Children will begin to understand the effects that natural disasters have on the world.

## Art

Children will use paints and sketching pencils to create still life images. Children will work in small groups to create a 3D model of a volcano. Children will create a piece of art on the theme of 'courage'.

# Volcanoes, earthquakes & tsunamis

## French

Children will revise and consolidate knowledge of numbers up to 31. We will also begin to look at hobbies and revise vocabulary around pets.

## ICT

Children will explore what is meant by E-Safety and the steps they can take to stay safe when online.

Children will begin to use simple algorithms using software in school.

Children will use computers to research our current topics.

## Horse Chestnut Class Term 4 & 5

### Summer 2017

## P.E

Swimming and cricket

**Science:** This summer term we will be looking at plants. We will investigate what plants need to survive, we will look at the various parts of a plant, pollination and how plants disperse their seeds.

**R.E:** Christianity. We will be focusing on Pentecost and exploring what Christians mean by 'The Kingdom of God'.
